MAYOR BREWER. Please allow me to thank you for the confidence placed in my service to the Town of Payson over the years. I always enjoy working with townspeople in making Payson an even better community.

Regretfully, I am resigning my position as a member on the Green Valley Redevelopment Area Committee. Although my new position as Councilmember precludes me from serving GVRA as a committee member, I would like to stay involved enough to assist GVRA in their effort to meet worthwhile goals.

I look forward to now serving Payson as a member of the Council.
