RECOMMENDED MOTION

I move to approve the fireworks display contract in the amount of \$10,000 with Fireworks Productions of Arizona, Ltd. for a fireworks display over the lake at Green Valley Park scheduled for July 4, 2006.

SUMMARY OF THE BASIS FOR RECOMMENDED MOTION:

The annual 4th of July celebration is held at Green Valley Park. The day's event typically concludes with a 30 – 40 minute fireworks display over the lakes. This event is one of the largest special events the town hosts with close to 5,000 spectators estimated in attendance.

Fireworks Productions of Arizona, Ltd. is a licensed and certified fireworks operation and has been doing the fireworks in Payson since the construction of Green Valley Park. They come with an excellent list of references including most of the State's municipal government holiday displays. As per the attachment, this year's show will consist of 2,505 aerial effects.

PROS: The fireworks display provides a wonderful, festive culmination of the Independence Day holiday event.

CONS: If the display is cancelled, a 10% - 50% restocking fee will be assessed to the Town of Payson depending on how much notification is given. Fireworks Productions did waive their restocking fee when we did cancel due our last experience with a forest fire.

PUBLIC INPUT (if any): Parks Board

BOARD/COMMITTEE/COMMISSION ACTIONS/RECOMMENDATIONS (if any) (give dates and attach minutes): The funding of fireworks is expended from the Bed Tax Fund, approved in the annual budgetary process.
