EXHIBIT A TO RESOLUTION 2625

15-02-006 Industrial Districts

A. Purpose and Intent

1. M-1 Industrial One/Light Industry District - to provide for limited manufacturing, processing, warehousing and light industrial uses, with predominance on indoor industrial activities conducted in a manner not to cause inconvenience or disturb neighboring properties.
2. M-2 Industrial Two/General Industry District - to provide for a wide range of industrial and manufacturing uses including intensive activities and outdoor storage while maintaining appropriate measures for safety and welfare.

B. Industrial District Stipulations and Provisions

1. All outdoor lighting shall be hooded or shielded so as to deflect light away from any residential district. The source of illumination for signs shall not be visible. All outdoor lighting shall be of a minimum necessary to serve the purpose intended. **See Section 15-03.**
2. ~~Upon commencement of any non-residential use, a solid, continuously opaque, masonry wall of 6 feet minimum height shall be constructed alongside and rear property lines adjacent to any residential zoned district, and all requirements for s~~ **Screening and landscaping as specified in shall comply** with Section 15-03, shall be installed.
3. All parking and signage shall comply with Section 15-04 and 15-06, of this Code.
4. In the M-1 and M-2 Districts, open land uses, and storage of materials and equipment, may be permitted if located beyond the front 50 feet of the lot or parcel and screened by a continuously opaque, solid masonry wall 6 feet in height, so that this storage or use is not visible from any adjacent properties or street; and no part of any materials or equipment shall be stacked or positioned higher than the screening wall.
5. ~~Prior to development of any multi-family of four units or more or non-residential project, a development master plan shall be submitted to the Community Development Department for review; master development plans shall be prepared in compliance with the materials and information required in Section 15-02-007.E for Planned Area Developments.~~

C. Industrial District Uses

The following uses as specified in the "Table of Industrial Districts", in Section 15-12-003, are permitted in the zoning district designated where a "P" (permitted) appears in the corresponding column; uses designated with a "C" (conditional use) shall be permitted only with the approval of a Conditional Use Permit in accordance with the procedures for Conditional Use Permits set forth in Section 15-09-004; where a "N" (not permitted) is designated, such use is prohibited.

D. Lot Development Standards

The chart entitled "Table of Industrial Lot Development Standards", which follows, establishes the minimum requirements for ~~sizes of lots, units, yard setbacks and space between buildings, and percent of lot coverage under roof; and establishes the standard for required connection to public water and sewer systems.~~
