Mayor and Town Council
Town of Payson, AZ

Dear Mayor Evans:

I am requesting the Town Council to reappoint me for another term on the Industrial Development Authority of the Town of Payson.

I believe I have the knowledge and experience to serve on this Board after 40+ years in municipal and local government finance including 10+ years in Payson government. I have lived in Payson since 1993 and plan on staying here for a long time.

Sincerely yours;
