

**Attention Voters in Northern Gila County Sanitation District
AND Tonto Village Domestic Water Improvement District**

→ Make Sure to VOTE BOTH BALLOTS THAT YOU RECEIVE

Voters in EACH district listed above have been mailed a separate ballot to elect Directors for openings on their respective District Board of Directors. These special and separate ballots are specifically for candidates seeking election to these two individual boards. Use the Special Election ballot to vote for not more than two candidates for YOUR district board. General Election ballots previously mailed to voters in each district are correct in every other respect, correct for all other offices — and will be counted — except for the section relating to the Districts listed above — which contained a ballot error, specific to each District.
